PROFESSIONAL EXPERIENCE

Since 1992 *Professor of Economics, University Paris–I Panthéon-Sorbonne (and Director of the MBA Program in International Trade since 2000)*

courses taught:

- International trade (BA)
- Development Policy (BA)
- Trade openness and economic growth (MA)
- Development theory (MA)
- African economies (MBA)

Since February 2000 *Consultant, specialized in international development policy advice*

Recent clients : the OECD (Development Centre), The World Bank, the African Economic Research Consortium, the Andorran government, Futuribles international.

1998–January 2000 *Director of the Centre d'Etudes Prospectives et d'Informations internationales (CEPII)*

The CEPII, which employs some 30 professional economists, is the leading French research center specialized in international economics. Attached to the French economic administration, its main fields of competence are European and macroeconomic analysis. Under my leadership, it has developed activities on emerging economies as well as its working relations with the private sector.

1994–1997 *Head of Division – National Development Policies, OECD Development Centre*

Direction and supervision of research projects on developing country policy issues on:

- Education, human capital and long term growth
- Infrastructures and long term growth
- Competitiveness of manufacturing industries
- Regional cooperation
- Conflict prevention and development
- Good governance

1992–1994 *Senior Economist, OECD, Development Centre*

Direction of research projects on:

- Financial policy and growth
- Military expenditure and growth

1990 – 1992 *Economist, OECD, Development Centre*

Responsible of a research project on :

- Debt relief and economic growth

1988 – 1990 *Professor of Economics, University of Maine (France)*

1984 – 1988 *Senior research associate, CNRS, Ecole Normale Supérieure, Paris*

1981– 1984 *Research associate, CNRS, Ecole Normale Supérieure, Paris*

1979 – 1981 *Economist, CEPII*

1977 – 1979 *Assistant Professor, ENSAE – Ecole Nationale de la Statistique et de l'Administration Economique –*

EDUCATION

1988 *Agrégation de Science économique*

1984 *Doctorat d'Etat, Université de Paris–1*
Thesis on : *The theory of international transfers* (published with the financial support of the Ministry of Education and honoured by the Gaëtan Pirou prize, awarded by the Chancellor of Paris University for the best thesis in Economics)

1978 *Doctorat de 3eme cycle, Development economics, University Paris–1*

1976–1977 *MA in Development economics, University Paris 1*

1974 –1977 *ENSAE – Ecole Nationale de la Statistique et de l'Administration Economique* – equivalent to MA in economics and statistics
