Telephone/Fax: (30-1) 803-1571  
e-mail: asarris@hol.gr

Office Address: Department of Economics  
University of Athens  
8 Pesmazoglou Street  
Athens GR 10559  
Greece  
Telephone: (30-1) 322-3148  
Fax (30-1) 322-3148

Born: July 5, 1948  
Citizenship: Greek  
Family Status: Married; two children  
Current Position: Professor, Department of Economics  
University of Athens, Athens, Greece

## EDUCATION

### Graduate

Massachusetts Institute of Technology, Cambridge Massachusetts, USA (MIT)

September, 1973 - September 1976: Department of Economics. Pursued a joint Ph.D. program in the Departments of Economics and Electrical Engineering, by completing the course and exam requirements for both departments. Ph.D. thesis was on the economics of international grain reserve policies. Thesis supervisors: MIT Professors Lance Taylor, Robert Solow, Jagdish Bhagwati, and Michael Athans.

September, 1971 - September, 1973: Research Assistant with the Decision and Control Sciences group at the MIT Department of Electrical Engineering under Professor Michael Athans.

September, 1970 - September, 1971: Department of Electrical Engineering. M.S. acquired in September, 1971. Thesis Supervisor Professor Michael Athans.

### Undergraduate

Massachusetts Institute of Technology (MIT)

B.S. in Electrical Engineering received in September, 1971, simultaneously with M.S.

Adelphi University, Garden City, New York

September, 1966 - June, 1967.

## TEACHING EXPERIENCE

University of Athens, Greece

Department of Economics. Professor starting September 1982. Is or has been responsible for courses in international trade, development economics, and mathematical economics.

Universite d'Auvergne, Clermont Ferrand, France

1993-2001. Invited Professor for each of the past eight years. Taught short courses on structural adjustment, food security, and survey research at the Centre d'Etudes et de Recherches sur le Developpement International (CERDI).

Institut des Sciences Politiques, Paris, France

Winter 1998. Taught short courses on the economics of illegal immigration and the economics of structural adjustment and poverty

University of California, Berkeley, California

Department of Agricultural and Resource Economics. Assistant Professor, February, 1977 until June 1983 (on leave 1982-1983). Taught courses in microeconomic theory, international trade theory, macroeconomics, market and price analysis, and world food problems and policies.

Massachusetts Institute of Technology, Cambridge, Massachusetts

Spring, 1975: Department of Electrical Engineering. Taught course in systems analysis and modelling.

Fall, 1970 - Spring, 1971: Department of Electrical Engineering. Taught courses in linear systems and dynamic systems analysis and modelling.

## RESEARCH AND WORK EXPERIENCE

University of Athens, Greece

Department of Economics. Professor. 1982 - present. Involved in research projects on macrosectoral model building for Greece, the distributional impacts of macrostabilization programs, evaluating the impact on international trade and agriculture from Greece's entry in the EEC, evaluating the impact of trade and exchange rate policies on Greece, assessing the impact of European Integration on the Greek economy, structure of illegal labour force in Greece, micro survey organisation and analysis, regulatory reform in Greece.

Commission of the European Communities

1992-93: DG II. Member, expert group on the evaluation of the Common Agricultural Policy.

1993-94. DG II. Member, ACE evaluation panel.

1994-95. DG XIX, Member, expert group on monitoring and evaluation systems.

1996 Evaluation mission for the STABEX and structural adjustment programs in Tanzania.

Organisation of Economic Cooperation and Development (OECD), Paris.

1997: Expert on the topic of risk management systems for agricultural producers

2000. Consultant on regulatory reform in Greece and the macroeconomy

Organisation of Economic Cooperation and Development (OECD), Development Centre, Paris

1997 Expert on the topic of the role of education in economic development in Tanzania.

Cornell University, Food and Nutrition Policy Program, Washington, D.C. 1988-1994

Part-time senior research associate, consultant. Led several research projects related to the impact of structural adjustment programs on the poor in African countries. Country case studies of Tanzania, Madagascar. Also involved in project concerning analysis of food security policies in Ghana. Organised and managed household and enterprise surveys.

Centre for Economic Policy Research (CEPR), London.

In 1988 prepared paper on food security and international security. In 1989 was co-director of a project concerning the impact of the 1992 EEC Internal Market Completion Program on the Greek economy.

International Fund for Agricultural Development (IFAD), Rome, Italy, 1987-1999.

In Summer 1987 prepared paper on impact of structural adjustment programs on the rural poor in sub-Saharan Africa. In October 1987 was mission leader of a special programming mission to Ghana. Mission did an agricultural sector assessment with a focus on rural smallholders and examined the impact on structural adjustment on the rural poor. It also did identification of agricultural projects. In Spring 1989 participated in project identification mission to Nigeria as a consultant on smallholder development. In 1993 prepared paper on economic analysis of drought in Africa. In 1997 consultant on the issue of targeting in poverty alleviation development projects. In 1999, consultant on evaluation of credit projects. In 1999 led evaluation mission of a credit project in Ghana. In 1999 consultant on evaluation methodology.

International Food Policy Research Institute (IFPRI), Washington D.C., July-August 1986

Visiting fellow. Worked on prospects of agricultural exports of developing countries to the EC in view of the GATT Round.

World Bank, Washington D.C.

August, 1980 - January, 1981: Part-time consultant. Prepared paper on uncertainty and industrialisation policy for developing countries. In September 1985 participated in structural adjustment mission to Niger, as a consultant on

food security. In June 1988 was consultant on food security in Nigeria. In 1992 participated in research proposal preparation on food security and consumption smoothing in Africa. In 1999-2000 was member of International Task Force on Commodity Risk Management in developing countries. In 2000-2001 consultant on agricultural development strategy and rural poverty.

Ministry of National Economy, Athens, Greece

August 1982 - December 1984. Member of the Greek Council of Economic Advisers. Involved in preparing the Greek Government's five years plan, and in advising various ministers on projects related to sectoral development, international trade, and agriculture.

June 1983 - September 1984. Was appointed as the Greek representative (and hence chairman for the period July 1 - December 31, 1983 of the Greek Presidency) of the European Communities Committee of article 113 (titulaires), that deals with EEC's trade relations with third countries.

Food and Agriculture Organisation (FAO) of the United Nations Has undertaken various consulting and research assignments among which are the following:

1983. Assessed the relationship between food import policies and domestic stock policies for food security in developing countries.

1984. Assessed the impact of macro structural adjustment policies on agriculture in developing countries.

1984. Assessed the optimal level of world food stocks for food security.

1985. Assessed and proposed new methodologies for monitoring international agricultural adjustment.

1986. Assessed empirically the macro dynamic implications of structural adjustment programs for the agricultural sector of developing countries.

1989. Provided guidelines for monitoring the impact of structural adjustment programs on agriculture in developing countries.

1990. Assessed the impact of agricultural trade liberalisation on price instability and stocks of world cereal markets.

1992. Assessed the implications of structural adjustment programs for the Egyptian agricultural sector.

1993. Assessing the implications for agricultural taxation and growth of structural adjustment policies.

1994. Assessed the implications of consumption credit for structural adjustment and growth.

1994. Designed guidelines on how to do agricultural sector policy analysis.

1994. Designed forestry policy analysis project in Armenia.

1994-95. Advised Syrian government on agricultural sector policy.

1994-95. Advised the government of the Philippines on implementation of the GATT agreement on agriculture.

1996-97. Assessed empirically the changing pattern of world cereal market instability.

1997. Consultant on the issue of agricultural strategies of developing countries.

1997. Led mission to Mauritius and Madagascar to assess possibilities of closer agricultural cooperation between members of the Indian Ocean Commissions countries.

1997-98. Led mission to Slovenia to advise on agricultural policy in view of EU enlargement.

1998-99. Led mission to Bulgaria to advise on agroindustrial sector development strategy.

1999 Consultant on issues of rural development strategies

2000-2001 Consultant on agro-industrial development strategy in Syria

Center of Planning and Economic Research, Athens, Greece

February 1983-1987. Chairman of the Board of Directors. The Board is the ultimate governing body of the Center, which employs about 120 professional economists plus administrative staff.

University of California, Berkeley, California

Department of Agricultural and Resource Economics. Assistant professor, February, 1977 until June 1983. (On leave 1982-1983). Involved in various research projects in economic theory, international trade theory and policy, domestic and international commodity stabilisation policy, agricultural development economics, European integration, world food security, and others.

Food and Agriculture Organisation (FAO), Investment Center, Rome, Italy

December, 1981 - February, 1982: Consultant on preparation mission of cotton development project in the Philippines. Prepared an economic risk analysis of the Philippine cotton sector for use by the Asian Development Bank..

International Institute for Applied Systems Analysis, Laxenburg, Austria

July-August 1978; September, 1979: Invited to participate in research on world agricultural modelling with the Food and Agriculture Program at IIASA.

Harvard University, Graduate School of Business, Cambridge, Massachusetts

September-October, 1976: Full-time Research Associate. Worked on a paper on the topic of application of modern control theory to the problem of international grain reserves.

Overseas Development Council

June-September, 1976: Consultant. Prepared report on the problem of world food security, food aid, and emergency stockpiles.

United Nations World Food Council, Rome, Italy

February-April, 1976: Full-time Consultant on world food security. Helped prepare background paper on world food security for ministerial meeting.

Center for Energy Policy, Inc., Boston, Massachusetts

August-September, 1975: Consultant on energy policy for New England. Constructed an input-output macroeconomic policy model for the New England energy economy.

Dynamics Associates, Cambridge, Massachusetts

Summer, 1974: Half-time Econometrics Consultant. Worked on constructing various econometric models for the paper industry.

National Bureau of Economic Research, Computer Research Center, Cambridge, Massachusetts

Summer, 1972 - Fall, 1974: Intermittently, full-time or part-time Research Assistant. Worked on research in statistical estimation, econometrics, time series analysis, multiattributed utility theory, and optimal control applications to economics.

Computer Systems Engineering, Billerica, Massachusetts

Spring, 1972: Part-time Consultant. Taught course to company's research and development staff on optimal control theory. Consulted on problems of Air Traffic Control.

#### Other Short Consultancies

European Commission

Organisation for Economic Co-operation and Development

World Bank, Washington, DC.

International Food Policy Research Institute, Washington, D.C.

East-West Center, Honolulu, Hawaii.

LDK Consultants (Athens), IDC Consultancy (France).

#### COUNTRY FIELD EXPERIENCE (except Greece)

(Sponsoring Organisations in parentheses)

Egypt, 1980-82, (University of California, USAID). Several field missions in context of project on food security.

Niger, 1985, (World Bank). Food security consultant to structural adjustment mission.

Philippines, 1981, (FAO Investment Centre). Member of preparation mission for cotton development project.

Nigeria, 1988, (World Bank). Consultant of food security.

Ghana, 1987, (IFAD). Mission leader, special programming mission.

Nigeria, 1989, (IFAD). Member, project identification mission.

Madagascar, 1990-92, (Cornell University, USAID). Four missions in context of research project on structural adjustment. Also in 1997 mission in context of FAO project of closer agricultural cooperation within IOC.

Tanzania, 1989-93, (Cornell University, USAID). Seven missions in context of research project on impact of structural adjustment on the poor. Also in 1996 mission in context of evaluation of the EU Stabex and structural adjustment programs.

Armenia, 1994, (FAO). Mission to design technical co-operation project in forestry sector.

Syria, 1994, (FAO). Mission to assess agricultural sector policy.

Philippines, 1994-95, (FAO). Three missions as consultant to Department of Agriculture.

Romania, 1996, (EC), Missions in context of project on agricultural transformation

Tanzania 1996, (EC) Evaluation mission for the Stabex and Structural Adjustment Loans of the European Community to Tanzania (IDC Consultancy).

Bulgaria 1997-98 (EU). Mission in context of ACE research project.

Hungary 1997-98. (EU). Mission in context of ACE research project.

Mauritius 1997 (FAO) Mission in the context of closer IOC cooperation.

Estonia 1997. (LDK Consultants). Mission to advise on international agricultural trade policy.

Slovenia 1997-98 (FAO). Leader of several missions to advise on agricultural sector strategy.

Bulgaria 1998-99 (FAO). Leader of several missions to advise on agroindustrial sector development strategy

Ghana 1999 (IFAD) Mission leader. Evaluation of credit project

Syria 2000-2001 (FAO) Several missions in context of consultantation on agroindustrial development strategy

## TEACHING AND RESEARCH INTERESTS

Development Economics; Applied International Economics; Food and Agriculture Policy; Macro-Micro and Computable General Equilibrium Modelling; Economics of Transition, European Integration, Finance and Development; Structuralist Macroeconomics; Income Distribution; Risk management in Commodity Markets; Economics of Labour Migration.

## FELLOWSHIPS

Resources for the Future (RFF) Dissertation Fellowship, 1975-1976.

## AWARDS

Best Paper Award, American Agricultural Economics Association, August 1984.

Best Doctoral Dissertation Award, American Agricultural Economics Association, August 1978.

## PROFESSIONAL SOCIETIES MEMBERSHIP

American Economic Association; European Economic Association, Royal Economic Society; American Agricultural Economics Association; International Association of Agricultural Economists; European Agricultural Economics Association. Cited in Who's Who in the World.

## OTHER ACTIVITIES

Regional Editor: European Review of Agricultural Economics 1990-1999. Member, Editorial Advisory Board, Agricultural Economics since 1994. Member Editorial Advisory Board, Quarterly Journal of International Agriculture

In 1996 was elected to the Joint Executive Board of the Center for the Development of Industry, a European Union-ACP Institution, based in Brussels. From October 1997 until August 2000 was elected chairman of the above Board.

In 1999-2000 was member of World Bank sponsored International Task Force on Commodity Risk Management
